INFORMATION DISCLOSURE STATEMENT

Under 37 CFR 1.97

This Information Disclosure Statement is filed more than three months after the patent application, but is before an action on the merits, so it is timely filed without payment of a fee. 37 CFR §1.97. Further, it is timely filed in that it is filed to report references, some of which first came to the attention of the applicant through a foreign search report made within the last three months.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made (37 CFR . 1.56(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13, at 25.

This Information Disclosure Statement is made to comply with the duty of candor imposed on all individuals associated with the filing or prosecution of this application, as defined by 37 CFR . 1.56(c).

Two (2) U.S. patent and one (1) foreign patent documents are listed on the attached one (1) sheet of Form PTO/SB/08A and two (2) non-patent art documents are listed on the attached one (1) sheet of Form PTO/SB/08B which is made a part hereof.

A copy of foreign patents along with an English Abstract and non-patent art are enclosed. Also enclosed, but not listed on the form, is a copy of a search report from the German Patent Office on German application 10 2004 015 948.3 The German search report is in the German language, but it uses the international conventions for citation of prior art.

The foregoing Information Disclosure Statement is based upon the information known to the inventor or contained in the undersigned attorney's file as of the filing date of this statement and is inclusive of the best information known to each of the undersigned at that date. Prompt consideration of the Information Disclosure Statement and the references by the Examiner is earnestly requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'David J. Muzilla', written in a cursive style.
